

Current Position: Site supervisor/Operator
Nationality: Deutsch
Date of Birth: 11 mar 1965 Germany.
Marital Status: Married.
Home Address: Westendstr. 3 D-77974 Meissenheim .
Tel: +49 (0)782 466 928
E-mail address: thomas.wagner@tunnelservices.de
Mobile: +49(0)1717 407 975

Education& Training:

1971-1980 elementary Meisseinheim
1980-1983 vocational Collage Offenburg
1983-1987 profesional experience mechanical Technician.
1987-1989 Herrenknecht TBM Mechanical
1989-1995 TBM Operator

Personal Profile:

I am an extensively TBM Operator /site supervisor/management with wide practical experience of micro tunnelling projects and also in slurry Separation and Soil stabilization.

I have a long work experience on site, Technical knowledge of mechanical, hydraulic plant system.

From micro –systems utilised for the installation of urban sewage connections, through a 0.25 m to 3.0m TBMs designed for the construction of the tunnel projects in all conditions.

I have been assigned as TBM Operator/Site supervision and management in many projects in America , Europe and Middle east, in a wide variety of soil conditions .

1995-2000 I worked as TBM Operator /Supervision freelance for Herrenknecht.

2001 I begun working as a freelance of my own private company MTO.

From 2006 I opened ITS GMBH Company providing Equipment, Supervision, Operators, and Shaft Staff specialize in Micro tunnelling unit.

My man-management and communication skills have been developed during the experience of many years supervising, operating dealing with local sub-contractors.

My particular specialities and personal interests lie in the areas of on-site evaluation of specific project to provide optimum production performance in prevailing conditions.

I am accustomed to operating in remote locations, either as part of a team or as individual agent.
